

Milwaukee Oct. 22 1946

To the Amateur Radio Club:

Dear Friends,

We all know we have lost our best friend and still, Erwin will be with us for always. Please, dear friends accept my heartfelt thanks for everything you have done for Erwin. There were many hours during his long illness that were really happy ones which helped him to hold his own. Those hours were when he could be with you, when you came to see him or when he was able to communicate with you over the air. I don't have to tell you how much the Radio Club meant to Erwin, and how much he enjoyed being among you.

We all miss Erwin more than one can say.

Dear "fellows" as Erwin always spoke of you, please accept my sincerest thank for everything you have done for Erwin to cheer him up and to beautify his sad hours during his long illness.

I shall always be grateful to you.

Sincerely

Mrs. Erwin W. Kreis
